PRESIDENT'S MESSAGE

Dr. Carol Dahlberg
President - MCPSRA

On Wednesday, February 20, snow topped by freezing rain covered the ground for many of us and Normandie Farm was closed. On Thursday, February 21, the sun was shining, roads were clear and Normandie Farm was open for our

Anne Marie Downey –MRSPA President

February luncheon. Nearly 100 members and guests attended and met Kristen Kane, the MCPS Teacher of the Year, who is a

kindergarten teacher at Forest Knolls Elementary School. Three guests from the Maryland Retired School Personnel Association (MRSPA) also attended our luncheon and

Sally Smith - MRSPA Area I East Director

shared important information. Anne Marie Downey, President of MRSPA, and Sally Smith, Area I East Director, shared their backgrounds as

former teachers in Maryland, their current roles as leaders in MRSPA, and the importance of each one of us staying involved. Wanda Twigg, MRSPA Executive Director, highlighted the ways

in which MRSPA supports legislation that benefits members and the elderly. She also emphasized the

Wanda Twigg - MRSPA Executive Director

significance of maintaining and increasing membership so that we continue to have a strong voice.

Joan Donovan spoke about the growing number of students who will be needing Toolkits. She stressed the importance of continued financial support needed to buy the materials for the kits. For more information see page 3.

The February 21st. Luncheon at Normandie Farm Restaurant

Each year MCPSRA awards scholarships to current MCPS employees who are taking courses for an advanced degree or to improve their teaching skills. Both supporting services and professional staff are eligible to apply. Each applicant should submit a letter providing current position and location, the reasons for taking course(s) and the financial need for monetary support. The deadline for receipt of applications is May 1, 2019. Interviews will be scheduled individually with each applicant. Applications should be sent to Joy Schwab (See page 2).

Special thanks to Bill Mills (retired MCPS photographer) for the pictures on this page.

COMPASSION AND RANDOM ACTS OF KINDNESS

What motivates people to do what they do for others? Is it to get something in return? Is it for personal gain or recognition? Or is it our innate human natures to be

compassionate and charitable in an effort to improve the well-being of those less fortunate than ourselves? Most of us would agree that a caring spirit guides a person's generosity.

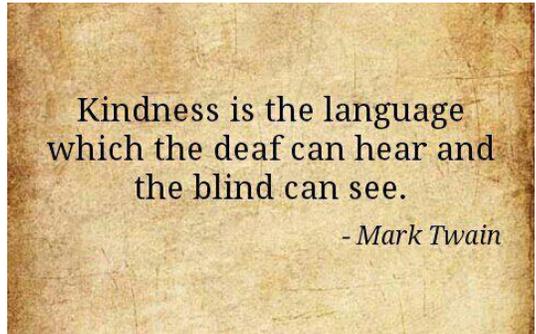

Do we need a special event or crisis to spur us into doing random acts of kindness? Let's hope not! We will find, as we look back upon our lives, that the moments when we really lived life to its fullest were the moments when we acted in the spirit of love. Tomorrow we may forget the kind little things we say and do today, but the recipients of our kindness may cherish

them over a lifetime. All of us who chose a career in the field of education were gifted with a compassion for, and a life-long love of children. We willingly gave our all each day because we knew that children are the world's most valuable resource and our best hope for the future. We all eventually realized that the future is purchased by the present.

Over the last 15 years, countless individuals have recognized the desperate need here in Montgomery County for our **Toolkits Project**. Our members and other donors have been inspired to perform "random acts of kindness" by donating. Multiple small acts have added up to many thousands of dollars to provide to needy kindergarten and Head Start children more than 20,000 toolkits of school supplies for use at home to support their learning at school.

Why has this project been so successful for so long? Maybe it's because each of us possesses a compassionate and caring spirit that is nurtured by charitable generosity. Let your life-long love of children guide you in support of this much needed and worthwhile project. True compassion is love in action. Please use a few of the 86,400 seconds you were blessed with today to perform a much-needed act of kindness by filling out the sponsorship form below and sending it with a tax-deductible donation to our project. May you glow with the warmth of knowing that you are making a difference in the lives of our county's beloved children. And remember, kindness never gets old. It has no expiration date. It inspires today's children to become compassionate adults in the future.

WELCOME VOLUNTEERS!

Summer day camps are being planned now. They focus on a wide variety of activities and are found in many locations throughout the county. Summer day camps provide a great opportunity.

Try to get involved helping others and enjoying meeting other people.

At the April luncheon we plan to take a group picture of volunteers to be put in the June newsletter. Hope you will be there.

MCPSRA is Working for You

On March 1, Fred Evans (Chair of the MCPSRA Legislative Committee and the Public Relations Committee) and Russ Wright (MCPSRA Vice President and Newsletter Editor) traveled to Annapolis to meet with State Senators and Delegates to lobby on your behalf.

Senior Humor

A distraught senior citizen phoned her doctor's office.

"Is it true," she wanted to know, "that the medication you prescribed has to be taken for the rest of my life?"

"Yes, I'm afraid so," the doctor told her.

There was a moment of silence before the lady replied, "I'm wondering, then, just how serious is my condition? The prescription is marked *NO REFILLS*."

An older gentleman was on the operating table awaiting surgery and he insisted that his son, a renowned surgeon, perform the operation. As he was about to get the anesthesia, he asked to speak to his son. "Yes, Dad, what is it?" "Don't be nervous, son; do your best, and just remember, if it doesn't go well, if something happens to me, your mother is going to come and live with you and your wife...."

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it. This is so true. I love to hear them say "you don't look that old."

The older we get, the fewer things seem worth waiting in line for.

(Thanks to Dr. Stephen Raucher for sharing these chuckles with us.)
